Hello Jackie! Bill Fischbein is the best legal contact for the Ohio EPA. While he is no longer the supervising attorney for the Drinking Water or Ground Water Programs he is the Ohio EPA attorney with the most institutional knowledge and remains engaged on this topic. I have copied Bill on this e-mail.

Subject: Contact needed re: DuPont Washington Works facility

Mike and Beth – I am in need of a legal contact for the state of OH to talk through a legal matter related to the DuPont Washington Works facility and related PFOA contamination. This is a rather time-sensitive request.

Thank you.
-Jacquie
